## ***Greetings from The Town of Vermilion***

On behalf of the Town of Vermilion I would like to offer congratulations to the Vermilion and District Chamber of Commerce for providing the Vermilion and District Regional Directory for 2011. This directory will provide the residents with a great resource especially, the Vermilion Community Directory.

Vermilion is recognized as a place people enjoy success, economic independence, and an unmasked quality of life. Vermilion is the community of choice as a place to live, learn, work, play, visit, do business, and raise our families. The Vermilion and District Chamber of Commerce is a partner in our community that makes us proud to call Vermilion our home.

Yours truly,  
**Bruce Marriott**  
Mayor

## ***Greetings from The Vermilion & District Chamber of Commerce***

On behalf of the Vermilion & District Chamber of Commerce, we would like to thank you for using our 11th annual Vermilion and District Regional Directory. This directory is distributed to approximately 6000 homes and business, and includes valuable information on community and business services available to our residents. Sections of this publication are made possible by our FCSS funding partners the Town of Vermilion and the County of Vermilion River. We thank them for their continued support.

Thank you to our advertisers and Chamber volunteers who make this publication possible each year. The Chamber would also like to thank the staff at the Standard for their hard work, many hours and continued dedication put towards this directory. The Chamber is a volunteer organization that provides business leadership and promotes a dynamic business community. Look for the "Chamber Member" sign when you do business in the Vermilion area. It is a sign of that business's ongoing commitment to the continued success of this region.

*Thank you,*  
**Marlene Beattie, President**  
Chamber of Commerce Executive & Staff

## *Greetings From The County of Vermilion River*

*The Council of the County of Vermilion River is pleased to participate again with the Vermilion and District Chamber of Commerce on the publication of this informative and convenient telephone and resource directory for County ratepayers use.*

*The County, through annual Family & Community Support Services Funding, supports this community directory project for Vermilion and area. Family and Community Support Services funding is made available to support projects that promote and encourage voluntarism, provides citizens with information on organizations available to prevent the development of a crisis and to strengthen and stabilize family and community life.*

*The County of Vermilion River is pleased to promote our region as a "Great Place to live, learn and succeed."*

The County wishes to advise its ratepayers that we no longer have an agreement with the Vermilion Chamber of Commerce to act as a "Contact Office".

Other arrangements for a Contact Office in Vermilion and other jurisdictions are being considered. However until further notice please contact the County Office directly for assistance with fire permits, snow plow flags, or other transactions previously handled at the Contact Office.

## Development Permits

### 1. What Is A Development Permit?

A Development Permit authorizes you to construct a new building, renovate an existing building, or change the use (or intensity of use) of your property.

### 2. When Do I Need A Permit?

County of Vermilion River's Land Use Bylaw lays out the details of all rules and regulations when developing on your land. Typical development requiring permits are:

- Constructing, substantially altering or renovating any building, garage, or other accessory building;
- Expanding or substantially renovating your office or commercial enterprise;
- Opening or expanding a home occupation;
- Demolishing or moving a building;
- Changing or intensifying the use of the lot or building
- Making changes to intensive livestock operations
- Other changes also may require a permit so call to check

### 3. Are There Times When I Don't Need A Permit?

Yes. The Land Use Bylaw details all development not requiring permits, but here are a few of the more common ones:

- Accessory farm buildings (barns, machine shops, granaries, etc. that are essential to the agricultural use of the land) on land that is in excess of 32 hectares (80 acres), does not require a permit. This provision does not apply to any development within 40m (134 ft.) of the center line of a County Road or within the setbacks established in Schedule "A" for the Highway Development and the Secondary Road.
- A building or structure with a gross floor area under 13.5 sq. m (145 sq. ft.) which is not on a permanent foundation.
- Constructions with a total value of under \$3500 including their nominal value of labour.
- Farm Dugouts do not require a permit but must be 134 feet from centre line of County Road or within the setbacks established in Schedule "A" for the Highway Development and Secondary Road Districts:

### 4. Now That I Know I Need A Permit, How Do I Get One?

Development Permit Application forms are available at the County of Vermilion River's Administration Office, located at 4912-50th Avenue, Kitscoty, Alberta, T0B 2P0

**For more information, contact the Planning & Development Department at 846-2244 or 853-5492**

## 911 Community

The County of Vermilion River is pleased to be a member of the Society that owns and manages the East Central 9-1-1 service to our residents and visitors. "9-1-1" is the only number you will need to get a response for any emergency service including fire, ambulance and police. When phoning 9-1-1, be sure to have your land location, address, or Range Road sign (blue sign at intersections throughout the County) ready so this information can be passed along to emergency services. Please be aware that when you call 9-1-1 from your cell phone, depending on the tower that the call is relayed through, your call may go to another cell centre so it is important to advise the operator you require the East Central 9-1-1 Call Answer Centre in Wainwright.

## Fire Permit Information

Fire permits are mandatory in the County of Vermilion River for all fires with exceptions of the following:

- 1) the fire is an incinerator fire (contained in a burning barrel)
- 2) the fire is a smudge fire
- 3) the fire is a recreational fire (campfire, fire pit)

Fire permits can be obtained from any Councilor, at the Administration Office in Kitscoty in person or by fax.

## Fire Bans

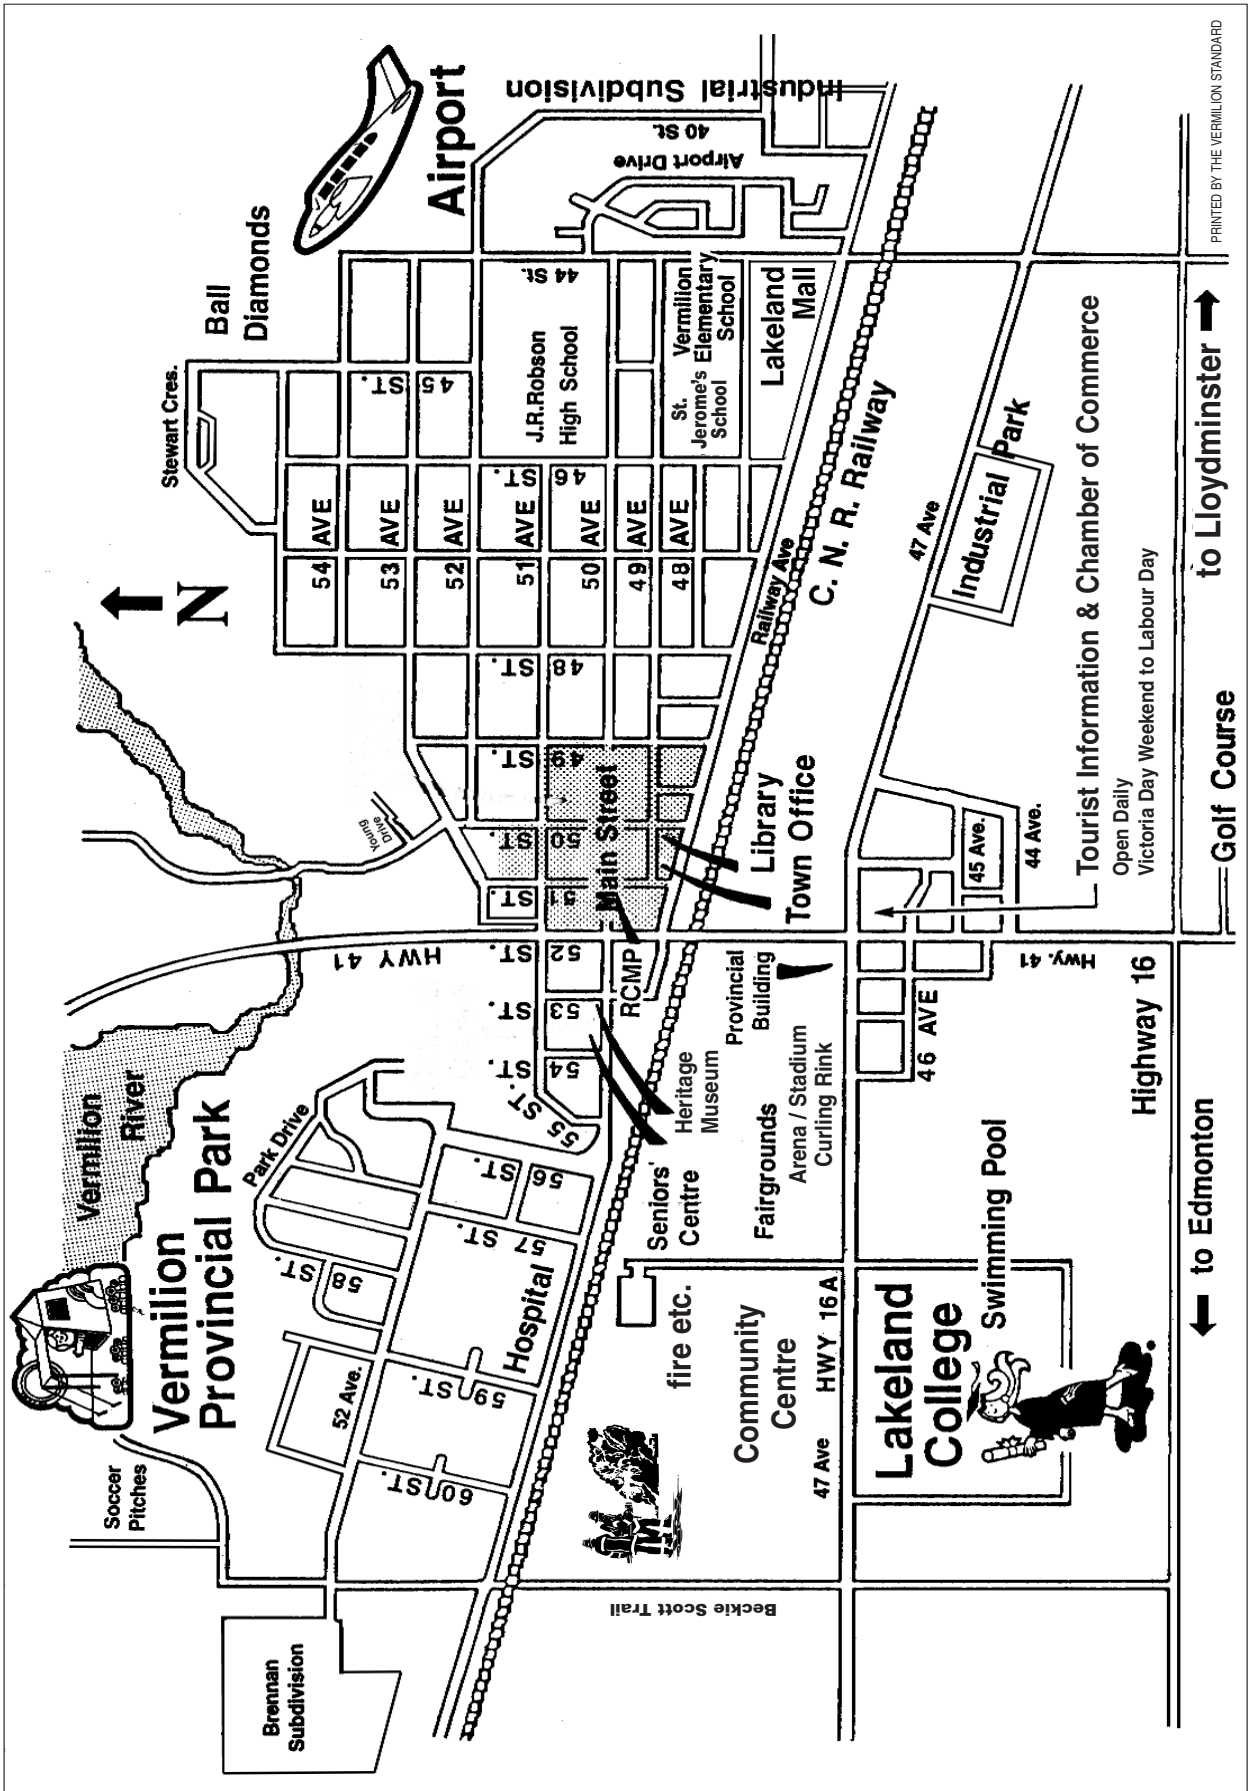

When the fire hazard is high, the Council of the County of Vermilion River may implement a full or partial fire ban. Conditions of fire permits and fire bans must be followed. Failing to do so will result in a penalty.

## Rural Crime Watch

Criminal activities such as break and enter, theft, vandalism, trespassing, and poaching are serious concerns for rural Albertans. Many of those incidents can be prevented, but in cases where the situation is not effectively avoided, suspects can be apprehended through cooperative efforts of the community and law enforcement agencies. The County of Vermilion River is proud to support the efforts of local Rural Crime Watch groups including the Vermilion & Area Crime Watch Association. If you would like information please contact Neil Blue (780) 853-6929 or the Vermilion RCMP (780) 853-4441.

## Method of Payment for County Gas, Water & Sewer and Taxes:

- After hours drop-off box at the County Office (no cash please)
- In person at the County Office - debit card, cash, cheques
- On-line or telephone banking through most major banks or TelPay.
- At the ATB Financial (Vermilion)
