December 9, 2011 Chamber Newsletter

It has been a quiet week in the Chamber office. I have spent most of my time catching up on different tasks, such as getting the Christmas letter to Chamber member done and the Farm Curl letter out to you. You should be receiving it early next week. Please let me know if you did not get a letter.

EVENTS

Candy Cane Countdown is in full swing with people shopping and getting their passports stamped in hopes of being the Grand Prize winner. Please remind your staff to ask their customers if want their passports stamped. This is your promotion and your time to shine!

The committee for Farm Curl has met; they are working to make 2012's Farm Curl as spectacular as all the others have been. If you would like to join this great group of people just call the Chamber office at 780-853-6593.

CHAMBER LUNCHEONS

December's Chamber Luncheon was very interesting with no one showing up--not even the speaker. Let's hope this is not habit forming! January's Luncheon is sponsored by Lakeland College. We will be hearing about the College's new business entrepreneur program. So come on out and hear what they are teaching future business owners.

FAN-OUTS

This week there is only one Fan-out for you to view or download. To fan information to

the membership, please have it to the Chamber office by 9 A.M. Thursday morning. Remember fan-outs can only be viewed online.
