Well it has slowed down just a little in the Chamber office in the month of November. We do not have any events happening we are just in the final stages of planning for **Candy Cane Countdown** and ramping up for **Farm Curl**. We can always use more help with the events the chamber puts on, if you would like to help just contact the Chamber Office.

## EVENTS

**Candy Cane Countdown** will be here before you know it! If there is an event your organization wants to be listed on, the passports please let the Chamber office know before November 11. It is never too early to think about your float for this year. The parade's theme is **Candy Cane Lane**. This should give your imagination lots of room to play. So let's see what you have come up with! The **Festival of Trees** is going to be at the Mall in the Extra Foods space. Santa will be there Saturday to talk to the kids. So bring your little ones down to visit with Santa. The Chamber tree is going to look great and we want to see what your trees will look like --book them in now! For more information, call the Chamber office or Wendy Pietrus at the TD Bank.

## CHAMBER LUNCHEONS

November's Chamber luncheon is at Lakeland College in the Fireside Room on November 16, Pick up your lunch at the cafeteria and join us. I am still working on who will be November's speaker. I will unveil that next week.

## FAN-OUTS

This week there are four Fan-outs for you to view or download. To fan information to the membership, have it to the Chamber office by 9 A.M. Thursday morning. Remember that fan-outs can only be viewed on line.
