September 9, 2011 Chamber Newsletter

With the first week of school behind us, we start to get back into a daily routine. As memories of our summer holiday fade into that warm fussy place, we at the Chamber are hard at work planning our future must attend events.

EVENTS

There is still time to get a booth at the **Giant Business Garage Sale**. This is a great place to promote that new service you offer or the new product line you have. Booths are just \$50.00 and the sale runs from 12 noon to 9 P.M. So give the Chamber office a call and get your booth now.

The wording for the new award to be handed out at the **Small Business Week Awards** is done. You will be able to download the nomination form from our website Monday afternoon. The website address is www.vermilionchamber.ca so print off a form and nominate the business that has given you outstanding service or is a real asset.

We have started work on **Candy Cane Countdown**. The *Tree Festival* committee has many plans in the works. However, they wanted me to tell to start thinking about putting your tree in either for display or auction. For more information, call the Chamber office or Wendy Pietrus at the TD Bank.

CHAMBER LUNCHEONS

September 21 is the first Luncheon of the fall. Scott Kovatch will be our guest speaker. His topic is "What's New For You With Community Futures." I do not know

about you, but I am looking forward to hearing what Scott has to say. So mark your calendar and plan to meet us at Lakeland College's Fireside Room at 11:30 A.M.

FAN-OUTS

This week there are four Fan-outs for you to view. Fan-outs can only be viewed on line at www.vermilionchamber.ca/chamber-in-a-minute. Please have the info you want the rest of the Membership to know to the Chamber office by 9 A.M. Thursday morning.

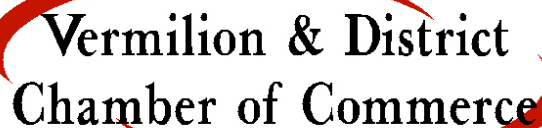

FOOD FOR THOUGHT

Post that much needed job position on www.jobsinvermilion.com. This is a free service for chamber members. If the volunteer organization you belong to is in need of help, we have you covered as well at www.volunteerinvermilion.com.

QUOTE OF THE WEEK

"What would you attempt to do if you knew you would not fail?" --**Robert Schuller**

Have a good weekend. Talk to you next week.
